REVIEWS OF ORGAN MUSIC, Continued from page 13

Meditation on "God Rest You Merry," by Chester Kingsbury. H. W. Gray, 1959. 6 pages. $2.50, including string parts.

A new contribution to Christmas music for organ and instruments, this is a simple and very effective setting of a beloved carol, not demanding a great deal from either instrumentalists or organist. It can be played successfully on a small organ, and represents a beautiful and practical addition for the Christmas season.

Jubilee, by Leo Sowerby. H. W. Gray, 1959. 12 pages. $1.50.

Another meaningful contribution to organ literature by this dean of American composers, the *Jubilee* is written in Sowerby's traditionally free, organistic style. Primarily for recital use, this jubilant, fast-moving work would be a fine closing number. For the pre-service recital it is good festival music, interesting, quite difficult, but rewarding.
